*Have we gone CRAZY? Photofacial Deal
3 treatments for \$350.*

Did you know that the Fabulous Photofacial can be done on other parts of your body, not just the face? The back and chest are popular areas our patients are doing to reduce sundamage and plump up collagen!

Photofacials help reduce redness, minimize pore size and even skin tone.

Planning to wear that strapless gown and want your back and décolletage to look fabulous? Schedule these procedures early to allow healing before your big date!

Our normal price for 3 treatments is \$495.

Perk up for the Holidays!
