October 2014 Specials

Fall is here...time to **HYDRATE your skin....**

Choose from our many wonderful products that bring perfect hydration without pore clogging ingredients that your traditional moisturizers may contain. These medical grade products deliver anti-oxidants and peptides to the deep layers of the skin, nourishing and plumping the cells so that when they migrate to the surface, they look healthy and radiant.

So you can look as good as you feel!

LaMaison's Signature Peel

Look at your skin....not just on your face, but your chest, back, arms and legs. See the sun damage? You can do something about it. The Signature Peel will remove years of sun damage and a good layer of dry and damaged skin. Looks like a sunburn peel for about a week!

Buy one get one FREE ... \$100.

**Or buy three Medical Grade Skin
Care products and receive the
Signature Peel FREE!**

ACUTE CARE Skin Care for Expression Linesavailable here!

No, it is not Botox® Cosmetic or Juvederm It is the ONLY non-injectable FDA-approved filler.

Great for the forehead, eyes (crows feet), and lines around the lips.

Each system lasts for one month, applied every third night the active ingredients work while you sleep. And continue to work for the second month!

You will be **READY FOR THE FESTIVE SEASON.**

\$220. for your system (one month's supply works for 2 months remember!)

The photograph is after one application of just one Acute Care patch to the glabella area (those frowny lines between the eyebrows).

Call 678.284.1195 to reserve your Acute Care Skin Care system for Expression Lines as supplies are limited.
